**Delivery**

Delivery is free locally to Jacksons - ask for details. All other addresses are + 5% of retail price.  
Accessories will incur a separate delivery charge if not ordered with storage unit.  
Some areas in Devon, Cornwall, Wales and Northern Scotland may incur a small excess delivery charge – POA.

**Assembly Costs - there is no delivery charge if delivery & assembly is required****Installation - Ribblesdale, Swaledale, Swaledale Plus, Coverdale, Malhamdale, Bike Locker and Edale size 1**

Assembly and anchoring is £125 (Inc. VAT) per unit. If you require this service please specify when you place your order. We will contact you in advance to arrange the date of installation. Please note that before installation can take place a level, firm surface will be required. You may already have this available (e.g. concrete, tarmac, slabs, patio), but if not please lay a base before installation.

**Installation - Wensleydale, Wharfedale, Motorcycle Garage, Edale 2 & 3 and Extension Module\***

Assembly and anchoring is £185 (Inc. VAT) per unit. If you require this service please specify when you place your order. We will contact you in advance to arrange the date of installation. Please note that before installation can take place a level, firm surface will be required. You may already have this available (e.g. concrete, tarmac, slabs, patio), but if not please lay a base before installation.

\* One extension module only, add £41 per additional module.

**Installation - Gasbox, Parcelmate, Homesafe and Under Caravan Storage**

The above units are dispatched assembled and ready for use.

**Base Measurement Information**

The base for all units requires firm level ground. We recommend a concrete base that is to a minimum thickness of 50mm/2".
